Telephone Policy

- *We do not provide medical care over the phone.* If you have a medical need we advise you to make an appointment.
- Urgent medical problems will be addressed by phone *as needed*.
- Changes in *current medication* and prescriptions for *new medication* **require an office visit.**
- Lab results are often given over the phone by our nurses. Our nurses are only informing you of the results, *not* giving an interpretation of those results. If you have any questions regarding this information you must make an appointment to talk with the doctor.
- If you are having a medication side effect or ineffectiveness we will be happy to see you immediately.
- Do not call asking to talk to the doctors, or to have the doctors call you back. They see patients throughout the entire day. If you want to talk to the doctors you must make an appointment. Messages left for the doctors will be dealt with on an urgent basis and will usually result in a request for an office visit.
- Telephone consultations are reserved for Advocates for Families patients. Telephone consult fees will be based on Dr. Mumper's preparation and actual time on the phone.

We want to provide you excellent, personal, medical care, not telephone care!

I have read and understand this telephone policy.
